
VENTUREWIRE**Lightstone Ventures Names Stacy Enxing Seng as Venture Partner**

March 02, 2016

Lightstone Ventures , a health-care investor formed by former general partners at **Advanced Technology Ventures** and **Morgenthaler Ventures** , announced the appointment of Stacy Enxing Seng as a venture partner.

She will assist the Lightstone medical-device team with deal sourcing, due diligence, and portfolio company growth and management.

Ms. Enxing Seng currently serves on the board of directors for several public and private companies including Hill-Rom, **Sonova AG** , **Solace Therapeutics** and **Spirox Inc** . Previously, she was president of Covidien's \$1.7 billion vascular therapies business. She joined Covidien following its \$2.6 billion acquisition of **ev3 Inc** ., a medical technology startup where she was a member of the founding team.

Lightstone **recently closed** a \$50 million fund to invest in Singapore-based life-sciences companies.
